Name _____ Expected Major _____

List three unique things about you. (Examples might include “I have been in a television commercial,” or “I speak fluent English and Russian,” or “I have moved eight times in the last twelve years,” or “I am the youngest of five children.”)

- 1.
- 2.
- 3.

Academically, what have you found to be rewarding and/or challenging in high school and why?

Describe a personal experience outside of the classroom that you are proud of. Please include details about your involvement, what compelled you to be involved, as well as what you learned from it.

Have there been changes (positive or negative) or a particular situation that has occurred in your high school years that you feel has impacted you, your grades or your participation in school (such as illness in family or self, divorce, summer experiences)?

Is there anything specific you would like me to include in your recommendation? Anything that sets you apart from others?
